Dear Incoming Student,                                                                                     July 2006

Welcome to the University of Michigan School of Social Work community! We are very happy that you have chosen to be a part of this school and hope that you find your experience here challenging and fulfilling. As student organization leaders, we have found the experience of being involved in extracurricular activities to be rewarding and we hope you will take advantage of the opportunities offered outside of the social work classroom.

The following is a list of active organizations at the School of Social Work and contact information if you wish to learn more about them. An opportunity to learn about the student organizations will also be available during the MSW Student Organization Fair at fall orientation. Take this chance to get involved and be a part of the social work community!
