Financial Aid

All students are reminded that financial aid from the School of Social Work is available only to full-time MSW students. For financial aid received from School of Social Work resources, full-time is defined as registration of at least 12 credit hours per term under the Social Work unit. An exception to this requirement may be made in the case of dual degree students where the total credits per term equals at least 12 credits between the two units. Other requests for an exception of this requirement must be submitted to and approved by the Assistant Dean For Student Services. Eligibility for Federal Work-Study funds, Federal Perkins Loan and Federal Direct Student Loans requires at least half-time enrollment in a degree program (4 credit hours for graduate students).
