SafeHouse Center is a non-profit organization dedicated to ending domestic violence and sexual assault in Washtenaw County, Michigan. SafeHouse Center provides free and confidential services for survivors. Our programs include 24-hour emergency response, a 24-hour HelpLine, counseling, support groups, court accompaniment/legal advocacy, emergency shelter, information and referrals and personal advocacy.

SafeHouse Center is a grassroots, feminist organization. Our mission is two-fold: to provide safety, support, advocacy and resources for survivors of sexual assault and domestic violence and their children, and to work relentlessly to change the systems and attitudes that allow this abuse to continue. Our work with survivors is strengths-based with a strong commitment to empowerment. Systems change work includes an extensive community education program, two-month-long awareness campaigns (April & October) and year-round collaborations to build effective community partnerships that meet survivor needs. Training is thorough and designed to maximize opportunities for growth. LMSW supervision will be arranged as needed for interns working in programs not coordinated by MSWs. Further information is available on our website, www.safehousecenter.org
